Now the Court must not and does not proceed by haphazard methods. What basis then for fixing wages has it mainly employed? Plainly not a competitive standard, for that would fix itself without the intervention of the Court by the market rate; and, moreover, the competitive standard was one which the Court was especially established to check. Equally plainly it cannot be a profit-sharing standard. This the Court has indeed expressly stated and declined, as it had to decline, to enter upon an inquiry as to the profits of all the employers as a basis of wages. Profit-Sharing Impracticable. Profit-sharing, indeed, as a method of industrial remuneration has been found illusory and unsatisfactory. I cannot now enter upon its history, but even under a voluntary system, where employer and workers have mutually agreed to a basis, it has broken down in countless cases after fair trial. A system under which - (a) The workers have no voice or control in the management; (b) In which a worker may work much harder and produce more, and yet, owing to the management in which he has no share, the business makes a loss and all the worker s extra efforts go unrewarded; (c) In which the industrial worker, however much...
