So Cassie decides to enjoy an adventure of her own and sets out across Scotland and meets a dashing stranger who has elevated dueling and deception to an art form. A dedicated spy on a mission, the Earl of Hampstead has more on his mind than a silly party. Now fate has thrown him together with a vivacious lady whom he must protect from harm, and whose sensuous beauty is proving most distracting. Worse still, Devlyn is horrified to discover she's the very woman he's engaged to marry! With their lives and reputations in equal peril, do they dare surrender to their irresistible desires?.

Reviews

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better than never, though I am quite late in starting reading this one. Your lifestyle span will probably be converted once you complete reading this publication.
