Brand New Book ***** Print on Demand *****.This is a sequel to Family Secrets: Letters to My Granddaughters A NOTE FROM GRACE Several years back I enrolled in a writing class called, Your Dreams and Writing. While taking the class I dreamed I was asked to write a manuscript. When it was finished I took it with me to a park. While sitting on a park bench watching a little girl play with her mom I suddenly saw a tidal wave coming from afar off. Quickly I placed my manuscript on top of the park pavilion thinking it would be safe there. In the next scene of the dream I was in class and it was time for me to hand in my assignment. I told the teacher I did not have my manuscript because of the tidal wave that had hit the park. Although I had tried to keep it safe atop the pavilion it had been destroyed. About that time the little girl entered the room with my manuscript. I knelt down beside her as she handed it to me. She looked me straight in the eye and said, You know I lost my mom in that tidal wave. I replied, Yes honey, I know you did. And that was the end of the dream. It is possible you hold that manuscript in your hands. rescued by a motherless child and finally published for other children who survived a tidal wave that took their mother.
