

The Warsaw Pact - Soviet-East European Military Relations in Historical Perspective Sources and Reassessments

By Central Intelligence Agency

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 44 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. After Communist regimes in Eastern Europe collapsed twenty years ago and the Soviet Union disintegrated two years later, immense opportunities for archival research opened. Even though serious obstacles to archival work have persisted in Russia (which houses the central repositories of the Soviet regime), the archives of nearly all of the former Warsaw Pact countries are now fully or at least largely open. As a result, scholars have been able to explore many aspects of the Warsaw Pact that could only be guessed at in the past, including questions of military planning, force preparations and operations, nuclear command arrangement, and civil-military issues. This item ships from La Vergne, TN. Paperback.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
