Samhain Publishing. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 8.5in. x 5.5in. x 0.9in. One good man could drive her all kinds of crazy. Men of the White Sandy, Book 1 Just who does Rebel Run Fast think he is Dr. Madeline Mitchell, the new doctor on the White Sandy Lakota Indian Reservation, knows there's a good answer to that question. Somewhere. Sure, the Lakota medicine man is every cowboy-and-Indian fantasy she ever had, but he sends patients to sweat lodges instead of clinical trials, talks them out of flu vaccines. Even more irritating, he makes her heart race. Rebel swore off the white man's world and its women years ago. Madeline doesn't speak the language, understand the customs, or believe he's anything more than a charlatan. Yet she stays, determined to help his people. And he keeps finding excuses to spend more time at the clinic. When he discovers her in the throes of a dangerous heat stroke, Rebel's efforts to cool her down set fire to a passion neither thought they wanted. But when the people start falling violently ill, the cultural gap stretches the connection between their hearts to the breaking point. Warning: This book contains smoking-hot skinny dipping, emotional and emotionally satisfying sex, and a shirtless cowboy who is also an Indian. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
