It's the perfect place for a freelance assassin with no loyalties and even fewer scruples. Caim makes - or perhaps more accurately, takes - his living on the edge of a blade. Murder is a risky business, but so far he reckons he's on the right side of it. He may lack scruples, but he's still got his knives, and his instincts, to rely on - and a developed sense of revenge, or should that be justice? - to fall back on. But when his path leads him from the hazardous back streets of Othir and into the highest halls of power, will instincts and weapons alone really be enough? If Caim is really going to unravel the plot which has snared him, to unmask a conspiracy at the heart of the empire, he will have to finally claim his birthright as the Shadow's Son .
