Reviews

*This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

JONI-PIP (HARDBACK)

Bothy Books, a Division of Grace Patrick Ltd, United States, 2014. Hardback. Book Condition: New. James Boddy, Paul Moon (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Award Winning Joni-Pip BEYOND EXCELLENT! says Dave Broughton of The American Chronicle, Ms. King has written a brilliant book, The Life in the Wood with Joni- Pip that can stand beside the likes of Catcher in the Rye, The Old Man and the Sea, or On Walden Pond and not shrink in importance: yet it can be next to Winnie the Pooh, Alice in Wonderland, Huckleberry Finn, Treasure Island or Harry Potter and seem right at home. Joni Pip is a must for any library and for those who know and love quality writing. Augmented with drawings and asides to the reader, Joni Pip is indeed, beyond excellent. Ms. King can and does craft her writing in a spellbinding way. You won t want to put the book down, so be sure you have a good block of time to hide away from the real world to step into the wild, wonderful world of Joni-Pip. Most reviewers tell you the basic story in brief. I m not going to do that here; there s just no way to do this beautifully written piece of work justice in a few sentences. Want to know the Secret of the Stars? Want to understand the Orbit of Life and other secrets of the Universe? You ll just have to get The Life in the Wood with Joni-Pip and read it for yourself; then swear to keep them secret! Christy Tillery French of The Midwest Book Review says, I especially find it hard to write reviews when the book is just extraordinary and I want to convey how much I...
