THE ODD FELLOWS SOCIETY

Ink Image Media, LLC, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Santiago Torres, the Jesuit headmaster of one of Washington, D.C.'s top high schools, knows two truths. First, historian Jasper Willoughs, his closest friend, didn't toss himself off a dormitory roof. Second, a Georgetown University secret society—a running joke on campus—has blood on its hands. Torres's pursuit of the truth embroils him in a bizarre and deadly scavenger hunt. The clues, scratched out on parchment by the mysterious Odd Fellows Society, lead Santi to risk everything he holds sacred: his job, his life, even the woman he secretly loves. As for his relationship with his God? Well, that's complicated. A hold-your-breath thriller that explores America's national obsession with race, *The Odd Fellows Society* will have you looking at the U.S. capital—and its monuments' secrets—in a whole different shade of black and white. Note: While this novel's protagonist is a Jesuit, this book is not a religious book.
