Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Perfect for any future business leader!Accounting prepares students for the future by discussing the difference between payables and receivables and how they related to a company profit. Students are proud to understand and complete balance sheet and income statement financial statements. Effective strategies are considered while understanding how sales and expenses create the net profit of a business. Through a discussion on supply and demand students are eager to comprehend how consumers cause changes to the price or quantity of a good or service in the market. Each learning workbook is a combination textbook and workbook based on business topics. YMBA Accounting provides students the opportunity to learn about basic accounting concepts such as making two entries, the balance sheet and income statement, business ratios and more. Truly useful topics students enjoy. The series presents one topic at a time in a detailed and simple to understand format. Ideas are approached and discussed in a variety of styles to capture a students learning style. Business concepts are generally introduced to students at the end of high school or in college. Y.M.B.A. believes students can achieve an understanding of the business world with the use of comprehensive introduction style learning workbooks. Y.M.B.A. topics are discussed using relevant examples based on familiar student scenarios. The worksheet pages, The Drawing Board, provide an opportunity for students to implement the details of the most recent lesson. The worksheets reinforce the lesson as the student applies the learned skills using reasoning and analysis. The pattern of a single page lesson followed by a single page worksheet is consistent throughout each topic. This pattern keeps students engaged and actively learning by seeking on-going student..
