Brand New Book ***** Print on Demand *****.What was it like to grow up on the fringes of our modern society? Life in the Fringes presents a collection of short stories and poetry that marks the transition from the innocence of childhood to the understanding of adult life. It examines the situations a child experiences as life takes its twists and turns. Author David de Tremaudan uses autobiographical storytelling that combines old oral traditions with a personal, modern perspective. Each short story offers tale of de Tremaudan s life, described from his unique perspective. It explores the personal view of a child maturing towards adulthood and his growing awareness of the values, morals, and beliefs that frame his life. Evil We look for evil apart from man Someone to personify But, the true face of evil With humankind does lie Evil is not an entity That to Satan gives a face But the truth is in the lot of us The total human race We travel the world to seek our fates For our selves and truth we search And in our search we see the ways That evil will besmirch When Rome took the world renown And its legions where conquering all Ask a Roman citizen then If it was wrong to conquer Gaul.
