*It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, The Funny Farm, Jackie Moffat, How often have you thought you might like to chuck it all in, leave the steaming metropolis and its noise and dirt behind and make for pastures new, to begin your life again? We often talk about it but people rarely do it. Jackie Moffat is one of those who did. In 1982 she and her family - armed with a bucketload of optimism, stout boots and a highly developed sense of the ridiculous - upped sticks from London (where she'd lived all her life) and went North, to Cumbria. Their destination was the Eden Valley, and a small stock-rearing and dairy farm called Rowfoot, and there they have spent the past twenty years getting to grips with the practice of running a working farm, keeping sheep, cattle, pigs and horses, becoming part of the (often eccentric) community, coping with the ups and downs (Foot and Mouth devastated them) of farming life. For the past ten years, the author's written a regular column for the Cumbria and Lake District Life magazine, and it was this that inspired her to write about her life in rural England and the trials, tribulations and pleasures of running a farm.
