The vicious gangster bosses of London's East End find themselves brought into contact with a counter-culture underground of mystical and medicated flower-children, or amoral pop-stars on the edge of psychological disintegration and a developing taste for Satanism. Alerted to a threat concerning the same magic order that she and her colleagues were investigating during 1910, a thoroughly modern Mina Murray and her dwindling league of comrades attempt to navigate the perilous rapids of London's hippy and criminal subculture, as well as the twilight world of its occultists. Starting to buckle from the pressures of the twentieth century and the weight of their own endless lives, Mina and her companions must nevertheless prevent the making of a Moonchild that might well turn out to be the antichrist!.
