Greenleaf Book Group Llc, United States, 2013. Hardback. Book Condition: New. 206 x 130 mm. Language: English . Brand New Book. Tired of trying to attain the mythical work-life balance and constantly feeling frustrated? Are you giving yourself a C- for your performances at work and at home? Teresa A. Taylor knows that trying to be a career woman and a mom can leave you feeling tired and defeated, and she wants you to take a new approach. She herself rapidly ascended through the ranks to become COO of a Fortune 200 company while raising two boys with her working husband, and in *The Balance Myth*, she shows you how you can do it too. Taylor takes you along to a meeting in the White House, to union negotiations, and to her sons soccer practices as she shares her candid, humorous, and heartfelt stories. Based on these real-life experiences and the lessons she learned from them, she shares the key to living with multiple responsibilities: integrating--not bifurcating--your personal and professional worlds. In addition, she offers insights about leading with integrity; surrounding yourself with positive resources; pushing through adversity; and celebrating accomplishments--especially your own. Taylor couldn't take the mother out of the career woman or vice versa, and she believes that you shouldn't have to either. Don't search for balance; the answers are within you! -- Written in an engaging voice, Teresa Taylor, the high-profile COO of Qwest who orchestrated a \$20 billion acquisition in the telecom industry, uses memoir and real-life examples to deliver valuable business perspectives that illustrate how she rose to the top of a Fortune 200 company while also raising her two sons with her working husband and maintaining fulfilling family relationships. Taylor illustrates that executives (as well as professionals with executive ambitions) don't...
